

TEACHING DIRECTIONAL CONTROL AT A DISTANCE

Training Workshop

Presented by Pat Nolan and Robin MacFarlane

June 29 – July 1, 2007

Learn the core skills needed for teaching directional control at a distance. The training foundation presented during this seminar will improve communication and control over the dog when most needed; off leash, at a distance and under distraction.

- Improve your understanding of remote collar training and communication
- Distance control on land and water
- Single T, Double T, Swim by, Marking drills, Pile work, and more
- Increased success in any dog venue including: Retriever work, police canine, agility, pet dog training

*Working slots are limited. Call now.
